New Information for 2024

The 2023 Florida legislative session made several changes to statutes affecting candidates. The information in this packet has been updated to conform to the revisions.

- SB1110/HB477 set eight-year term limits for school board members.
- SB444/HB411 requires that school board candidates must reside in their district at the time of assuming office, rather than at the time of qualifying.
- SB774/HB37 revised financial disclosure requirements by requiring that mayors and elected members of the governing body of a municipality, and candidates for those offices, must file a full and public disclosure of their finances. In addition, at the time of qualifying, candidates may provide a verification or receipt of electronic filing of their financial disclosure records with the Commission Ethics instead of the financial disclosure itself.
- SB666/HB707 requires that candidates provide their residential address on the candidate oath.
- SB7050/HB7067 further revised the candidate oath by requiring that candidates affirm on their oath whether they owe any outstanding fines, fees, or penalties. In addition, the oath now solicits further details regarding the candidate's name and provides further procedures for the use of nicknames. Finally, the bill revised the timeline for campaign finance reports.

Filing for Office

Filing is the first step in becoming a candidate. It allows you to solicit contributions and make expenditures for your campaign. You must file before opening your campaign depository, receiving contributions, or making expenditures, and obtaining signatures on a candidate petition.

To file for office, you must complete the Appointment of Treasurer and Designation of Campaign Depository for Candidates (form DS-DE 9).

The DS-DE 9 requires you to list:

- The office for which you are running (including seat or district number).
- Which bank will hold your campaign account.
- Your treasurer (who may be yourself).
- Your political party affiliation.

Additionally, once you file the DS-DE9, you have ten (10) days to turn in a Statement of Candidate (DS-DE 84). You may turn in your DS-DE 84 at the same time as you file your other paperwork.

Judicial candidates must also turn in a Statement of Candidate for Judicial Office (DS-DE 83). You may turn in your DS-DE 83 at the same time you file your other paperwork.

[Requirements for each office up for election in 2024 begin on page seven \(7\).](#)

(Sections 105.031, 106.021, and 106.023, F. S.)

Campaign Finance Reporting

After filing for office and designating a treasurer, you must begin submitting regular treasurer's reports. From the time the campaign treasurer is appointed up until qualifying, you must file reports by the tenth (10th) day following the end of each quarter.

Following the last day of qualifying, you must file reports:

- On the sixtieth (60th) day immediately preceding the Primary Election.
- Biweekly on each Friday through, and including, the fourth (4th) day immediately preceding the General Election.
- On the twenty-fifth (25th) and eleventh (11th) days before the Primary and General Elections.
- Finally, you must file a termination report within ninety (90) days after you become unopposed, eliminated, withdrawn, or elected to office. This report shall contain all previously unreported contributions and expenditures as required by this section and shall reflect disposition of funds as required by F.S. 106.141.

(Sections 106.07, 106.0705, and 106.11(5) F. S.)

Qualifying

During qualifying, you will finalize your ballot readiness by submitting required forms and fees. You may submit qualifying forms starting with the pre-qualifying period, fourteen (14) days before the start of qualifying. We cannot accept your qualifying documents before the start of pre-qualifying. You must submit complete qualifying documents before the end of the qualifying period. We encourage you to take advantage of the pre-qualifying period. If you fail to qualify, your candidacy ends.

It is recommended that you visit our office during the pre-qualifying/or qualifying period with your **completed** paperwork, at that time our office will check your paperwork for any incomplete or missing items.

We perform only a ministerial role during qualifying – we may not determine whether the contents of the qualifying papers are accurate. Instead, we only review them for completeness within the four corners of each document.

Candidate Oath

To qualify, you must complete the **Candidate Oath and Statement of Party** for the office you are seeking.

- Partisan Office
 - Filing with party affiliation: DS-DE 301A
 - Filing with no-party affiliation: DS-DE 301B
 - Filing as write-in: DS-DE 301C
- Nonpartisan Office: DS-DE 302NP
- County Judge: DS-DE 303JU
- School Board: DS-DE 304SB

Soil and water conservation district candidates must also file a statement affirming they meet the requirements of section 582.19(1), F.S.

(Section 99.012 F.S. and Rule 15-2.0001, F.A.C.)

Please note that due to the high volume of election responsibilities, the Supervisor of Elections office will no longer be able to provide notary services.

Financial Disclosure Requirements

As part of qualifying, you must satisfy financial disclosure requirements. The specific form depends on the office sought. If you have already filed your financial disclosure paperwork with the Commission on Ethics, you may provide a verification or receipt of electronic filing of your financial disclosure records with the Commission.

- Constitutional Office: Form 6
- County Commission: Form 6
- School Board: Form 6
- Special Taxing Districts: Form 1
 - Greater Boca Raton Beach & Park District
 - Indian Trail Improvement District
 - Jupiter Inlet District Commission
 - Northern Palm Beach County Improvement District

 - Port of Palm Beach
- Community Development District: Form 1

(Section 112.3144 and 112.3145 F.S.)

Candidate Qualifying Fee

Your qualifying fee is determined by the office you are seeking. If you are running for office with a party affiliation, there is an additional party assessment fee.

The qualifying fee must be:

- Paid by a properly executed check drawn on the campaign account. Personal checks, cashier's checks, or cash are not acceptable.
 - However, Special Taxing Districts and Community Development District candidates can pay by personal check, cashier's check, or cash.
- Signed by the campaign treasurer or deputy treasurer. A check signed by a candidate who has not been designated as the treasurer or deputy treasurer is not acceptable.
- Made payable to the Palm Beach County Supervisor of Elections Office.

We cannot return the qualifying fee unless you withdraw, with a signed written statement, before the close of qualifying.

We will immediately notify you if your qualifying fee check is returned by the bank for any reason.

Notwithstanding the end of qualifying, you will have 48 hours from the time such notification is received, excluding Saturdays, Sundays, and legal holidays, to pay the fee with a cashier's check purchased from funds of the campaign account.

You can waive the qualifying fee (and party assessment, if applicable) by gathering the signatures of voters on candidate petitions.

If you intend to qualify as a write-in candidate, there is no qualifying fee.

(Sections 99.061 and 105.031 F. S.)

Petitioning

You can waive the qualifying fee by gathering petition forms signed by voters. The number of petitions you need to collect to waive the fee depends on which office you are seeking. Voters must live within the district for your office to sign your petitions. If you are unable to collect the required number of signatures, you can choose to pay the qualifying fee instead.

You are strongly encouraged to gather more petitions than the minimum. Plan for some of your petitions to be invalid due to errors. If a petition form contains incorrect information or it is not complete, it will not count towards qualifying.

The deadline to submit petitions for verification is noon, twenty-eight (28) days before the start of qualifying. We strongly encourage you to submit your petitions well in advance of the deadline.

You must pay a petition verification fee of ten cents per petition to our office. The verification fee is due at the time you submit your petitions. If you are unable to pay the verification fee, you may file an Affidavit of Undue Burden (Form DS-DE 19A).

You may either have each individual petition reviewed or have only a random sample reviewed. If you decide to use random sampling, you only pay the verification fee for the sample of your petitions that we review. To use random sampling, you must provide fifteen (15%) more petitions than the minimum, and all petitions must be dropped off at one time.

(Sections 99.095, 99.097 F. S. and Rule 1S-2.045)
