

Ballot Tracking

The Palm Beach County Supervisor of Elections has launched a new program to help mail ballot voters track their ballot. BallotTrax is a new program designed to provide updates and alerts for voters to track the status of their mail ballot. By signing up for BallotTrax, voters can receive calls, text messages, and emails when their ballot is mailed out and when processed by our office. You can sign up for BallotTrax on our website www.VotePalmBeach.gov. For those interested, mail ballots can be requested by contacting our office until 5:00 pm October 29th.

Early Voting October 24 – November 6

Early Voting for the General Election begins on October 24th and runs through November 6th. Our office will now have 21 Early Voting locations, each open from 7:00 am – 7:00 pm. We are rolling out a brand-new program, “Early Voter Appointment,” that will allow those who want to vote early to make an appointment for an Early Voting location at a time window of their choosing. You are not required to make an appointment to Vote Early, but those who are interested in skipping the line and picking a time of their choice, can do so. Visit www.VotePalmBeach.gov to learn more about this program and sign up today. Election Day is Tuesday, November 8th and the polls are open 7:00 am – 7:00 pm.
