

Vote by Mail Ballots are Out

This past week the Palm Beach County Supervisor of Elections office mailed just under 350,000 mail ballots to voters who requested one for the November 8th General Election. For those interested, mail ballots can be requested by contacting our office until 5 pm October 29th. In addition, our office is now using BallotTrax, a new program designed to provide updates and alerts for voters to track the status of their mail ballot. By signing up for BallotTrax, voters can receive text messages and emails when their ballot is mailed out and when processed by our office. Our office prides itself on being innovative when it comes to utilizing technology to improve the voter experience and ensure each vote counts.

General Election is November 8th

Friendly reminder, the deadline to register to vote for the November 8th General Election is Tuesday, October 11. In addition, Early Voting for the General Election begins on October 24th and runs through November 6th. Our office will now have 21 Early Voting locations each open from 7:00 am – 7:00 pm. We are rolling out a brand-new program “Early Voter Appointment” that will allow those who want to vote early to make an appointment for an Early Voting location at a time window of their choosing. You are not required to make an appointment to Vote Early, but those who are interested in skipping the line and picking a time of their choice, can do so. Visit www.VotePalmBeach.gov to learn more about this program and sign up today.
