

Election Outreach Events

LET US BE YOUR GUEST. Your Palm Beach County Elections Office is on a mission to educate our community about the importance of voting, upcoming elections, and how to get election ready. We are always looking for opportunities and events to attend where we can provide voter registration, voter education, and demonstrate our new voting equipment. If you want to join or host an outreach event with the Elections Team or invite us to speak to your community group or organization, please contact us by emailing info@VotePalmBeach.gov, calling (561) 656-6200, or complete our online request form at <https://bit.ly/votepalmbeachrequest>.

Election Security and Transparency

ELECTION INTEGRITY YOU CAN TRUST. The Palm Beach County Elections Team has been at the forefront of transparency, and we take election security seriously to ensure that your vote counts and your voice is heard. In addition to the multiple checks and balances already in place, we were one of the first offices to digitally display the Canvassing Board and canvassing process to open up additional viewing space at our Voting Equipment Service Center, ensuring the public had access to the canvassing process - a first in Palm Beach County history.
